## COMPOSE YOUR OWN OYSTER TASTING

**MIX OF 3 OYSTERS 15.00**

**MIX OF 6 OYSTERS 25.00**

### ZEEUWSE CREUSES | *Zeeland, The Netherlands*

*Discover the exceptional taste of Zeeuwse creuses oysters, a special treat from the Dutch coastline. These oysters grow in nutrient-rich waters and have a fresh, slightly sweet flavor with a tender, plump meat. You can try them raw with a classic vinaigrette and lemon wedges. The creamy texture and complex taste will make you feel like you're at the seaside. Try our Zeeuwse creuses oysters today and enjoy the delicious taste of the ocean.*

### FINES DE CLAIRE | *Nouvelle-Aquitaine, France*

*Experience the delicious taste of Fines de Claire oysters, a special treat from the French Atlantic coast. These oysters are grown in clay ponds and mature slowly, which gives them a unique, complex flavor. The meat is plump, firm, and has a slightly salty taste with a refreshing finish. Served with a classic vinaigrette and lemon wedges.*

### IRISH OYSTER SUPRÊME | *Kerry, Ireland*

*The Irish Oyster Suprême is an oyster from Ireland. After growing for three to four years, the oyster is of exceptional quality. It is cultivated in the bays of the charming region of Kerry, known for the Ring of Kerry, in the south-west of the country. The seawater there abounds in nutrients, which allows the oyster to reach an excellent weight and develop a special natural, somewhat sweetish flavour. After careful grading, only the finest oysters are classified as Suprême.*

### OYSRI | *Kerry, Ireland*

*Indulge in the delightful flavor of Oysri oysters, organically grown in the nutrient-rich waters of Dingle Bay. These stunningly colorful oysters have a pearly white interior and an impressive deep cup, ensuring a uniform shape due to the hands-on approach of the Oysri crew. With an obvious green apple taste and natural creaminess, these oysters have a hint of salted hazelnuts that make them both sweet and salty.*

### UMAMI | *Kerry, Ireland*

*Tasty, sweet, creamy, salty and full of spirit and refinement. This is the essence of Umami. The Umami oyster has a medium flavor. A pseudo-tactile sensation ascribable to Umami will pamper the taste buds.*
